

**Hello Community Member,**

**April is Sexual Assault Awareness month, and we would like to paint the town with denim. We cannot accomplish this without your help....so why denim? April 27<sup>th</sup> is denim day, and it has become the international symbol of support and awareness for sexual assault victims.**

**Please help us spread awareness and show our support for sexual assault victims in and out of our community. This goal can be achieved by granting us the opportunity of decorating your store front during the month of April with a pair of jeans. Will you help us paint the town with denim and be a part of the change?**

**Thank you for your time and consideration.**

**Any questions: please call Stephanie Weingartz at (989)672-1709**
